

DELTA Modders

ToS + Privacy Policy for Third-Party Itch.io login

This Privacy Policy explains how the itch.io integration with Deltamod handles your information.

Information We Store

When you sign in with itch.io, we may store your:

- itch.io username;
- itch.io user ID;
- Profile picture; and
- Any additional data (collections) you choose to upload or save through the integration

on servers which are maintained by us. The data handler for Deltamod data connected to your itch.io account is DELTAModders.

We also use authentication tokens to verify access to your account.

Your Uploaded Data

Any data you upload or save through this integration **should not be considered private or confidential**. The website owners and administrators may access and view this data when reasonably necessary for purposes such as operating, maintaining, troubleshooting, moderating, or securing the service.

Please do not upload sensitive information unless you understand and accept this.

How We Use Your Information

Your information is used to authenticate your account, provide the integration's features, and store and retrieve the data associated with your account.

Data Deletion

You may contact the website owners at ghinorhino@deltamodders.com to request deletion of your stored data. Deletion requests will be handled where reasonably possible.

Changes

This Privacy Policy may be updated from time to time. Continued use of the integration after changes are made constitutes acceptance of the updated policy.

Contact

If you have questions about this Privacy Policy or your data, please contact the website owners through the available contact methods.
